Living in the Peace of God

Phil. 4:1-9

Main Truth: Because of Who Christ is and because of who we are, believers are to stand firm, earnestly pursuing living in the peace of God.

1. Why is it important for believers to stand firm in faith?

2. What is peace?

3. Where is peace found?

4. How do we live in the peace of God?

5. How does in the peace of God enable us to stand firm?

Where is peace found?

1. In God alone
2. In relationship with Him
3. In knowing Him, Phil. 3:10
4. In loving Him
5. In being loved by Him
6. In walking with Him
7. In trusting, resting, relaxing in Him

How do we live in the peace of God?

3. Live with reasonableness/gentleness/Self-focus
4. Replace anxiety with heart-felt prayer & thanksgiving/Anxiety
5. Focus your mind on right things/Reading, watching, listening to the opposites of 4:8
