Discussion Questions

Knowing

1. What are some of the ways in which Paul was not a likely candidate for conversion to Christ?
2. How did Paul's commitment to his upbringing and traditions make it difficult for him to accept Jesus as Savior and Lord?

Being

1. What are some of the ways that the world has wrongly defined manhood?
2. What are some of the ways that the Church has wrongly defined manhood?

Doing

1. Share with each other what you needed to surrender when you came to know Christ? What is one thing in your life that you still find difficult to surrender to Christ?
2. Share with each other two or three things you hope to learn from God's Word through this series.
