Mission Memphis Prayer Book

## The Mission of Second Presbyterian Church

This prayer book is an expression of the mission of Second Presbyterian Church and provides prayers related to **Retelling the Gospel, Reimagining the Church and the City,** and **Repairing What is Broken.**

### God is clearly at work in many ways and in many different places in our city.

As a church we have an opportunity to be “fellow workers” with God (I Corinthians 3:9) and with leaders of Gospel-based ministries seeking to promote the flourishing of our city and to heal the brokenness and divisiveness that exist.

Opportunities for direct personal engagement are provided through our Mission Memphis partners who are on the front lines of advancing God’s kingdom in neighborhoods throughout our city.

Paul’s plea for help from his ministry partners reflects the responsibility of all of us to support and pray for these ministry efforts:

*On him we have set our hope that he will deliver us again. You also must help us by prayer, so that many will give thanks on our behalf for the blessing granted us through the prayers of many.*  
(II Corinthians 1:10-11)

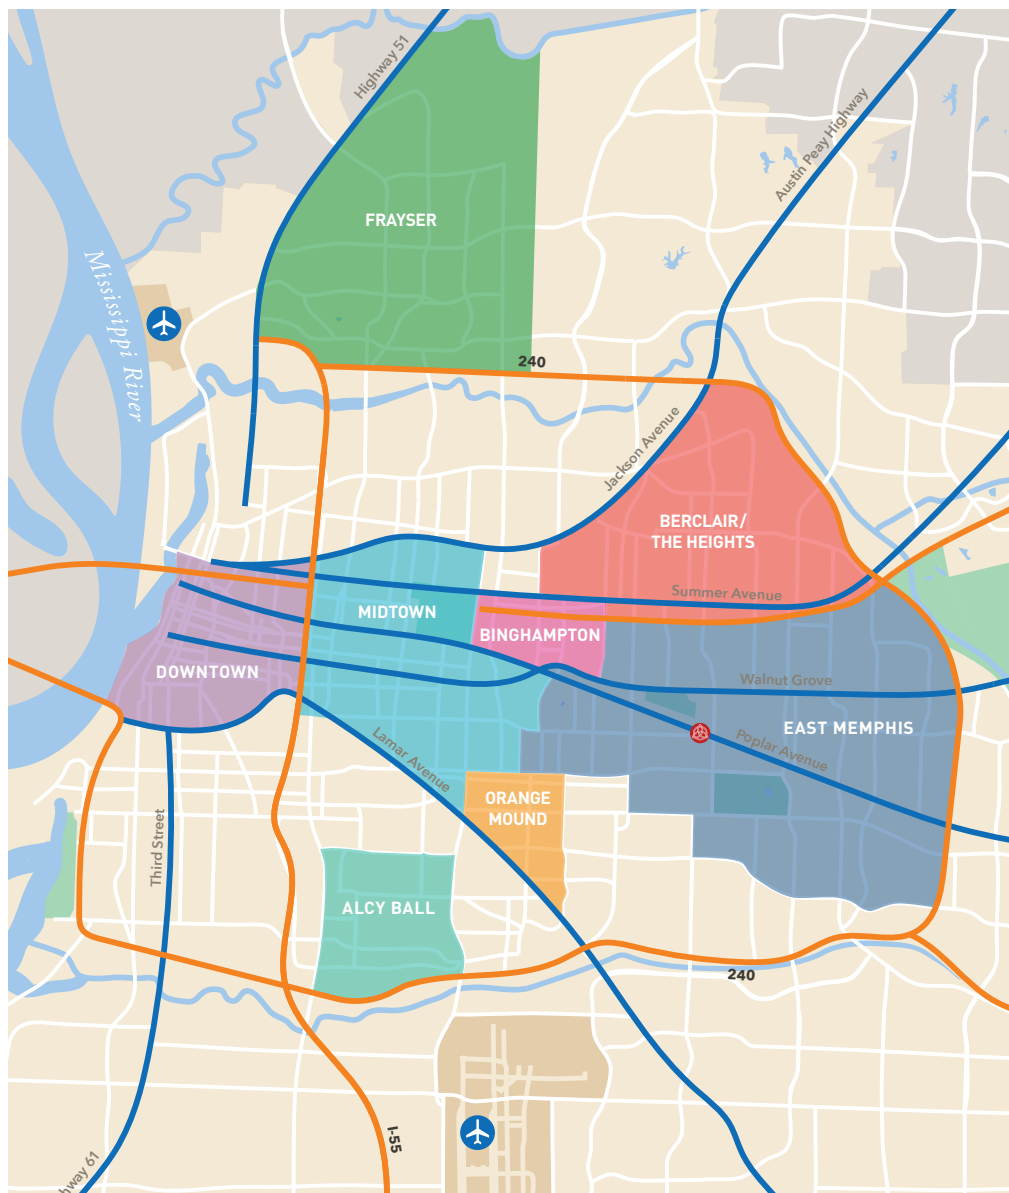

### We are called to love our neighbor as ourselves.

The needs in our city are great, but God’s love is greater still! It is our hope that you will use this booklet to pray for our neighborhoods and the ministry partners who are supported by Second and serving our neighbors in Memphis communities.

### 82 MINISTRY PARTNER INDEX

A Word from Brian Lewis, Director of Domestic Outreach:

**And he answered, “You shall love the Lord your God with all your heart and with all your soul and with all your strength and with all your mind, and your neighbor as yourself.” Luke 10:27**

One of the greatest joys of living in Memphis is interacting with our neighbors. We see each other at work, school, local restaurants, church, and in the communities in which we live. As Christians, we know that God has put us here to build His kingdom and has called each of us to love our neighbors.

Jeremiah 29:7 says, “But seek the welfare\* of the city where I have sent you into exile, and pray to the LORD on its behalf, for in its welfare you will find your welfare.”

**In this text, the prophet gives us two ways we can love our neighbors:**

- 1. To seek the well-being of our neighbors.** This means to work toward the flourishing of Memphis communities and neighborhoods in the name of Christ. This effort will involve building relationships with our neighbors, demonstrating His love through our deeds, and proclaiming the Gospel.
- 2. To pray for our neighbors and intercede on their behalf.** God cares deeply about the members of our community and promises to bring restoration when His people pray.

*\*The Hebrew word behind welfare is “shalom.”*

**Our hope for this booklet is that it will encourage your growth as a loving neighbor. The Lord longs for us to be involved relationally and engaged prayerfully. As you read through this booklet, please take notice of the following:**

**GEOGRAPHIC ORIENTATION** We have organized the booklet by communities and neighborhoods, placing our ministry partners in the neighborhoods to which they minister. Our map does not include all areas of the city, but it does give an idea of the location of our partners.

**YOUR NEIGHBORHOOD** We want to encourage you to get to know your own neighbors by name. As you meet your neighbors, use the space on page 10 to write their names and begin to pray for them as you seek to build relationships.

**OPPORTUNITIES FOR ENGAGEMENT** We are trusting God to transform these communities. God has blessed our city with great ministries who have invited us into their neighborhoods to partner with them. We have listed many opportunities to serve alongside each ministry.

**WHAT TO PRAY** We have included items for prayer for each ministry as well as general prayer direction for our city. We believe that our prayers reflect Biblical priorities and ask that you intercede with a sense of urgency.

*If you have any questions about the ministries in this book, email us at [missionmemphis@2pc.org](mailto:missionmemphis@2pc.org) or call (901) 454-0034. We look forward to working with you to reach our city.*

# PRAY FOR OUR CITY

## HOW TO PRAY FOR OUR NEIGHBORS

Have you ever wondered how to pray for your neighbor? Use the following requests and Bible verses as a starting point:

- That God would draw them to Himself (John 6:44)
- That they would seek to know God (Acts 17:27)
- That they would believe in the Scriptures (1 Thessalonians 2:13)
- That Satan would be bound from blinding them to the truth (Matthew 13:19; 2 Corinthians 4:4)
- That the Holy Spirit would work in them (John 16:8-12)
- That God would send someone to lead them to Christ (Matthew 9:37-38)
- That they would believe in Christ as Savior (John 1:12; John 5:24)
- That they would turn from sin (Acts 17:30-31)
- That they would confess Christ as Lord (Romans 10:9-10)
- That they would yield all to follow Christ (2 Corinthians 5:15)
- That they would take root and grow in Christ (Colossians 2:6-7)

## HOW TO PRAY FOR A NEIGHBORHOOD

In addition to praying for our neighbors, we also want to pray that the neighborhoods around our city would experience community transformation.

The following verses offer a general framework for thinking about issues of justice and oppression. They also give us insight into God's heart for the vulnerable and disadvantaged.

**Look up each verse and write your observations next to the reference below.**

- Deuteronomy 15:1-11
- Psalm 146
- Proverbs 14:31, 31:8-9
- Isaiah 1:16-17, 58:6-7, 12
- Jeremiah 22:3, 29:4-7
- Micah 6:8
- Zechariah 7:9-10, 8:1-8
- James 1:26-2:13

**We suggest using the following nine categories as a guide as you pray for the neighborhoods around our city.**

- 1. Spiritual Life and the Church:** A strong neighborhood church is the most important component of community transformation. Pray that new churches would be planted and existing churches would become healthy.
- 2. Public Safety:** Many in our city feel a constant threat to their sense of safety. Pray that God would provide the safety for which they long (Psalm 4:8, 12:5) in their neighborhoods.
- 3. Family Life:** As the primary venue where beliefs and behaviors are learned, the family is the most influential social component in life. Pray for marriages, families, single parents, and those involved in foster care.
- 4. Education:** Access to education, or the lack thereof, has a direct impact on public safety and the economic growth of a community. Pray that the children in our city would enjoy the benefits that come from an education.
- 5. Health:** Physical well-being is a vital component of community health and transformation. Pray that our neighbors around the city would have access to health care.
- 6. Housing and Neighborhood Revitalization:** Stable and quality housing is a luxury that not all of our neighbors enjoy. Pray against landlords that force our neighbors into a transient lifestyle. Pray for community life and neighborhood revitalization.
- 7. Economic Development:** Unemployment and underemployment create barriers to financial self-sufficiency. Pray that more jobs would come to Memphis and that people would receive the skills they need to be job-ready.
- 8. Community Involvement and Leadership Development:** Leaders in communities around our city need to be identified, encouraged, trained, and educated so that the next generation would be equipped and committed to the work of community transformation. Pray for these young leaders.
- 9. Arts and Entertainment:** Exposure to the arts in distressed neighborhoods provides opportunity and hope. Pray that access to the arts would result in a flood of benefits for our neighbors.

## PRAY TO THE PRINCE OF PEACE

After reflecting on the needs of our city, let us reflect on the only Savior of our city. Jesus, the Prince of Shalom, is the only hope for redemption, restoration, and the rebuilding of our city.

**Read the following verses and meditate on the person of Christ.**

- Isaiah 9:6-7
- Isaiah 42:1-4
- Luke 4:16-19
